Families living on post are able to choose the local city school district they attend for grades 7-12. If you choose Enterprise City Schools for 7th and 8th grade, you will be zoned to attend Coppinville JHS

Families that decide to reside in off post housing are encouraged to research local schools prior to selecting a place to live. School districts generally do not allow out of district enrollment. Please double check with the Fort Rucker School Support Services or the school district's central services to determine the school district serving your residence.
